Re: Transparency Police – IPRA Log No. 1083127

Dear Corporation Counsel Patton:

This letter serves as notification that on today's date, February 3, 2017, the Independent Police Review Authority (IPRA) has scheduled for release, pursuant to the Transparency Policy, files related to Complaint Log No. 1083127. The Chicago Police Department requests a thirty-day extension to March 6, 2017 in accordance with Section IV(B) of the Transparency Policy to publicly release files related to this incident.

Video footage related to the incident depicts two Chicago Police Officers who were detailed to a taskforce with the Federal Bureau of Investigation pursuing a subject wanted in conjunction with a murder investigation. These officers work in an undercover capacity. Consequently, the release of the materials at this time without further redaction would disclose specialized investigative techniques, which could result in demonstrable harm to CPD and, potentially, could also endanger the life or physical safety of law enforcement personnel.

Please contact the undersigned with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Charise Valente".
